Markal Paint Sticks

MASTER ENGINE

Correct fasteners to assemble engine components to the long-block.

Most fasteners have correct markings for the time period. Valve cover bolts & retainers, exhaust lock bridges, timing cover & oil pan bolts are made of stainless steel !

The most significant items may be seen in the BULK section of the catalog.

Most items Made in USA.

Save 26% - 30% over the individual kit prices !

Typical kit attaches:

air cleaner, carburetor & choke cover, crank pulley & damper, distributor, engine vent adapter, exhaust manifolds, exhaust pipes, engine fan, fan clutch, fuel pump & plate & plug, heat shroud, ignition coil & strap, intake manifold & plug, oil filter valve, oil pan, PCV adapter, PCV hose clamps, timing cover, valve covers, water neck, water pump.

Individual Fastener Kits (I-Kits)

About 80% of these individual kits are found in *Master Kits*. AMK Fastener kits are based on part numbers & finishes specified in the factory Assembly Manuals.

We hold closely to these specifications unless we find otherwise. We have the knowledge, fastener information and sources needed to make accurate and authentic fastener kits.
